DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
GATES OF THE RIVER SUBDIVISION

THIS DECLARATION is made, published and declared this 21 day of Oct., 2005, by Seneca Land Corporation (The "Declarant").

WHEREAS, the Declarant is the fee simple owner of a certain tract of real property in Meigs County, Tennessee, which is more particularly described in Exhibit "A", attached hereto and made a part hereof by this reference; and

WHEREAS, the Declarant has caused to be prepared a plan for the subdivision of said real property shown on Exhibit "A" into residential lots, said subdivision to be known as Gates of the River, and has caused a subdivision plat of the said real property to be filed of record in Plat Cabinet 260, Slide Side B, in the Register's Office of Meigs County, Tennessee; and

WHEREAS, it is to the benefit, interest and advantage of the Declarant, and each and every person or other entity which may hereafter acquire any interest in any of the aforescribed real property described in Exhibit "A" that certain covenants, restrictions, easements, assessments and liens governing and regulating the use and occupancy of all of the same be established, fixed, set forth and declared as covenants running with the land;

NOW, THEREFORE, in consideration of the premises, the Declarant does hereby publish and declare (1) that all, and each and every part of, said real property shown in Exhibit "A" is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied, improved and otherwise held and used subject to (a) the following covenants, conditions, restrictions, uses, limitations and obligations and (b) all easements, conditions, restrictions, etc., as set out in the Subdivision Plat previously mentioned, all of which are hereby declared and agreed to be in furtherance of a plan for the development and improvement of said real property, (2) that said covenants, conditions, restrictions, uses, limitations and obligations shall run with the land and shall be a burden and a benefit to the land and to the Declarant, its successors and assigns, the Association and any person or legal entity acquiring or owning any interest in any portion of said real property or any improvements thereon, and their grantees, successors, heirs, executors, administrators, devisees and assigns.

ARTICLE I.
DEFINITIONS

The following words, when used in this Declaration, shall have the following meanings:

Section 1. "Association" shall mean and refer to Gates of the River Community Association, Inc., a non-profit, non-stock corporation incorporated under the laws of the State of Tennessee, its successors and assigns. The Association's Charter and Bylaws are attached hereto marked Exhibits "B" and "C" respectively and are hereby made a part hereof.

Section 2. "Common Area" shall mean all land designated as Common Area on said Plat or any revisions thereof.

Section 3. "Declarant" shall mean Seneca Land Corporation, its successors and assigns.

Section 4. "Declaration" shall mean this Declaration of Covenants, Conditions and Restrictions, and any supplementary declaration filed hereafter, as this Declaration may, from time to time, be amended in accordance with its terms.

Section 5. "Improvements" shall mean the structures, walls, pavement, plantings and other additions built or placed on the Lots.

Section 6. "Lot" or "Lots" shall mean and refer to the plots of land designated on the Subdivision Plat. For all purposes hereunder, the Declarant shall be the Owner of all of said Lots, save and except only those particular Lots which the Declarant conveys in fee simple title by recordable deed from and after the date hereof.

Section 7. "Member" shall mean and refer to every Person who holds membership in the Association.

Section 8. "Owner" shall mean and refer to the record Owner, whether one or more persons or entities, of fee simple title to any Lot which is a part of the Property, but excluding those having such interest merely as security for the performance of an obligation. The purchaser at a foreclosure sale or trustee's sale shall be deemed an Owner.

Section 9. "Person" means an individual, firm, company, corporation, partnership, association, trust or other legal entity or any combination thereof.

Section 10. "Property" shall mean all of that certain real property hereinabove described, both in Exhibit "A", and such additions thereto as may hereafter be brought within the jurisdiction of the Association and this Declaration.

Section 11. "Subdivision Plat" shall mean the original recorded plat of said subdivision referred to in Exhibit "A", and any amendments or revisions thereto, and the recorded plats of any additional property which is later incorporated into and made subject to this Declaration.

ARTICLE II. THE PROPERTY

Section 1. Property Subject to Declaration. The Property shall be held and used subject to this Declaration.

Section 2. Roads and Utilities. The roads within the Property are public property. Pipes, lines, cables, other means of utility service, etc., shall also be public.

Section 3. Additional Property Subject To This Declaration. Additional residential property and/or common areas which are not presently a part of the Property may be added to and become subject to this Declaration as desired by the Declarant. The decision to include additional property to be subject to this Declaration shall be at the sole discretion of Declarant. Declarant and/or the venturers of the Declarant may subsequently acquire additional land adjacent or contiguous to the Property or in the vicinity of the Property and probably will incorporate some or all of such additional land into this Declaration, but Declarant and/or the venturers of the Declarant are under no obligation to incorporate any such additional land into this Declaration.

ARTICLE III. THE ASSOCIATION

Section 1. Members. Every Person or entity who is a record owner of a fee or an undivided fee interest of any Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of such Lot shall be the sole qualification for membership.

Section 2. Control by Declarant. The Declarant shall be a Member for each Lot owned by it until the same is sold and title transferred. Notwithstanding any other provision of this Declaration or any related document, the Declarant shall retain total control of the Association including the right to cast the votes of all members, the Property, the development thereof, and the improvements thereon, including, . Without limitation, plan approval, until the development is complete and 75% of the building Lots have been sold. However, Declarant may, at its option, transfer said control to the Members at such time as it deems appropriate.

Section 3. Voting Rights. The voting rights of the Membership shall be appurtenant to the ownership of a Lot, each Owner of a Lot being entitled to one (1) vote for each Lot owned. The Declarant's vote on any matter shall outweigh the aggregate vote of all other Members until the control granted to Declarant in this Article is transferred to the Members.

Section 4. Secured Parties. No individual or legal entity holding titling to a Lot as security for any debt or obligation shall be considered an owner of such Lot, and such individual or entity shall not be entitled to membership in the Association or to cast a vote on any questions or matter affecting the administration of the Association.

Section 5. Voting. At every meeting of the Members, each of the Members shall have the right to cast his vote on each question. Subject to the Declarant's control as set forth in Article III, Section 2 above, and other rights set forth in this Declaration, the vote of the Members representing fifty-one (51 %) percent majority of the total votes cast, with respect to any question, in person or by proxy, shall decide any question brought before such meeting, unless the question is one upon which, by express provisions of statute, the Association's Charter or By-Laws, or this Declaration, a different vote is required. In such case, such express provision shall govern and control. The vote of any membership which is owned by more than one person may be exercised by any of them present at any meeting unless an objection or protest by a co-owner of such membership is noted at such meeting. In the event all of the co-owners of any such membership who are present at any meeting of the Members are unable to agree on the manner in which the vote for such membership shall be cast on any particular question, then such vote shall not be counted for purposes of deciding that question. No Member shall be eligible to vote, either in person or by proxy, or to be elected to the Board of Directors, who is shown on the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due the Association.

Section 6. Proxies. A Member may appoint any other Member or the Declarant, or any other person permitted by law or by the By-Laws, as his proxy. In no case, may any Member, except the Declarant, cast more than one vote by proxy, in addition to his own vote. Any proxy must be in writing and must comply with all requirements imposed by law or by the By-Laws.

Section 7. Quorum. The presence, either in person or by proxy, of Members representing at least a twenty (20 %) percent of the total votes entitled to be cast with respect to any question shall be requisite for, and shall constitute a quorum for, the transaction of business at all meetings of the Members. If the number of Members at a meeting drops below the quorum and the question of a lack of quorum is raised, no business may thereafter be transacted. If two or more successive meetings are adjourned for lack of a quorum, the quorum for each successive resumed meeting shall be equal to the greater of the number of votes represented at either of the two previous adjourned meetings.

Section 8. Rules and Regulations. The Developer initially, and the Association after control is turned over, may from time to time, promulgate rules and regulations for the use and enjoyment of the common areas and roads.

ARTICLE IV. **PROPERTY RIGHTS AND EASEMENTS**

Section 1. Owner's Easements of Enjoyment Over the Common Area. Every Owner shall have a right and easement of enjoyment over and across the Common Areas, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to this Declaration and the following specific provisions:

- (a) The right of the Association, as provided in its charter and/or By-Laws, to suspend any enjoyment rights of any member;
- (b) The right of the Association, in accordance with its Charter and/or By-Laws, to improve and maintain the Common Areas;
- (c) The right of the Declarant and the Association, but not the obligation, to protect, maintain and inspect the Common Areas.

Section 2. Easements for Utilities and Related Purposes. The Declarant and/or the Association are authorized and empowered to grant such licenses, easements and/or rights-of-way for water lines, electrical cables, telephone cables, television and other communication cables, internal and external wiring and antennae, gas lines, storm drains, underground conduits and/or such other purposes related to the provision of public utilities and other common services to the Property as may be considered necessary, appropriate or desirable for the orderly maintenance, preservation of the health, safety, convenience and/or welfare of the Owners and the Declarant.

Section 3. General Easement. The Declarant hereby reserves for itself and the Association the right and easement to the use of any Lot or any portion thereof, as may be needed for repair, maintenance or construction on such Lot, any other Lot, or the Common Area.

ARTICLE V.
MAINTENANCE AND REPAIR

Section 1. **Association Responsibilities.** Except as otherwise stated in this Declaration, the Association shall provide and pay for all maintenance and expenses for the Common Areas, any improvements on the Common Areas, Common Fences, the entrances, the Entry Areas, and drainage structures.

Section 2. **Individual Lot Owners.** Each Owner shall be responsible for the maintenance, painting, and proper upkeep of the Owner's Lot and all improvements thereon, including, without limitation, all areas within easements. Grass, weeds, and vegetation shall be kept neatly cut to the pavement and all debris and animal waste shall be cleared at regular intervals front so as to maintain same in a neat and attractive manner.

Further, each Owner shall keep his residence in a condition comparable to its condition when initially constructed. In the event all or any portion of a residence is damaged or destroyed by fire or other casualty, then the Owner shall promptly rebuild, repair or reconstruct said residence in a manner which will substantially restore same to its original condition or demolish the residence, at his discretion within nine (9) months of the occurrence of the casualty.

~~In the event the Owner of the Lot shall fail to comply with the terms and conditions of this Article~~ in a manner reasonably satisfactory to the Board of Directors and in keeping with other Lots, the Declarant, in its sole discretion, or the Association, after approval of two-thirds (2/3) vote of the Board of Directors, shall have the right, through agents and/or employees, to enter upon said Lot and to repair, maintain and restore the Lot and to repair, maintain, restore or demolish the improvements thereon. The costs thereof, together with interest thereon and costs of collection thereof, shall be a binding personal obligation of such Owner, as well as, a continuing lien upon the subject Lot upon the recording of a notice of lien with the Office of the Register of Meigs County, Tennessee. The rights and remedies given to the Association by the Article of this Declaration dealing with assessments and non-payment thereof shall apply fully to the debt obligations, including interest and costs of collection, and the lien rights created in this Section. Likewise, the terms and conditions of said Article dealing with subordination and mortgage protection shall be fully applicable.

ARTICLE VI.
COMMON FENCES

Common Fence. The Declarant may construct a fence along Cotton Port Road (the "Frontal Fence"). The Frontal Fence shall be of a design to be selected by the Declarant and shall be maintained by the Association, and may not be changed in any manner by any Owner.

ARTICLE VII.
ASSESSMENTS

Section 1. **Creation of the Lien and Personal Obligation of Assessments.** Each Owner of any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association the assessments provided in this Article. Said assessments shall be fixed, established and collected from time to time as herein provided. All such assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest thereon and cost of collection thereof, shall also be the personal obligation of the Owner of such Lot at the time when the assessment becomes due.

Section 2. **Annual Assessments.**

(a) Each Member other than Declarant shall pay to the Association in advance an annual sum equal to the Member's proportionate share of the sum required by the Association, as estimated by its Board of Directors, to meet its annual expenses, including, but in no way limited to, the following:

- (1) The cost of all operating expenses of the Association and services furnished, including charges by the Association for its facilities, if any, any repayment of any debt expenses including any loans incurred by the Association and interest thereon from Declarant for operating and capital improvement; and

- (2) The amount of all taxes and assessments levied against the Association or upon any property which it may own or which it is otherwise required to pay, if any; and
- (3) The cost of extended liability insurance and the cost of such other insurance as the Association may effect; and
- (4) The cost of funding all reserves established by the Association, including, when appropriate, a general operating reserve and/or reserve for replacements; and
- (5) The estimated cost of repairs, maintenance and replacements of the entrance, the Frontal Fence, drainage systems, Retention Basins, the Common Area and other items.
- (6) Electricity and water for irrigation of the Common Area improvements.
- (7) Common Area improvements.

(b) For each Lot, the annual assessment shall first become due on the date of the closing of the sale of said Lot from the Declarant to the Owner, unless the Owner is a builder constructing a residence for someone other than himself, in which case, said assessment shall first become due on the date of the closing of the transfer of said Lot by the builder to the first resident, or eighteen (18) months from the date of the closing of the sale of the Lot from the Declarant to the builder, whichever is earlier. The assessment shall be prorated for any partial assessment year.

(c) After January 1, 2006, the Board of Directors shall determine the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period, but may do so at more frequent intervals should circumstances so require as provided in the By-Laws. The general annual assessment for each Lot shall be computed by dividing the total assessment attributable to the Property by the total number of Lots. Written notice of the annual assessment shall be sent to every Owner subject thereto but failure to receive such notice shall not excuse payment. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid.

(d) Until the sooner of January 1, 2006, or until 20 Lots are sold by Declarant, the maximum annual assessment per lot to be paid to the Association shall be \$400.00.

Section 3. Special Assessments. In addition to the regular assessments authorized by this Article, the Association may levy a special assessment or assessments in any assessment year, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement for which the Association is responsible or for such other purposes as the Board of Directors may consider necessary, provided that such assessment shall have the assent of the Members representing two-thirds (2/3) of the total number of votes eligible to be cast. A meeting of the Members shall be duly called for this purpose, written notice of which shall be sent to all Members at least ten (10) days, but not more than thirty (30) days, in advance of such meeting, which notice shall set forth the purpose of the meeting. Such assessment shall be prorated among the Members on the same basis as annual assessments.

Section 4. Emergency Assessments. In the event of any emergency situation, condition, or occurrence affecting the life, health, safety or welfare of the Members or the property of the Members, the Board of Directors may declare an emergency assessment in such amount and payable at such time as the Board, in its sole discretion, shall deem necessary. Such emergency assessment, except for the amount and time of payment, shall be governed by all other provisions of this Declaration. Such assessment shall be prorated among the Members on the same basis as annual assessments. The Board of Directors shall be fully protected and not liable for any mistake in judgment hereunder if the emergency assessment was made in good faith.

Section 5. Non-Payment of Assessments. Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid on the date when due, shall be delinquent and shall, together with interest thereon and the cost of collection thereof, as hereinafter provided, thereupon become a continuing lien upon the Lot or Lots belonging to the Member against whom such assessment is levied and shall bind such Lot or Lots in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. In order to evidence said lien, a notice of lien setting forth the amount of the indebtedness, the Owner's name, and a description of the Lot shall be recorded with the Office of the Register of Deeds of Meigs County, Tennessee. The personal obligation of the Member to pay such assessment shall, however, remain his personal obligation for the statutory period and a suit to recover a

money judgment for non-payment of any assessment levied pursuant to this Declaration, or any installment thereof, may be maintained without foreclosing or waiving the lien herein.

Any assessment levied pursuant to this Declaration or any installment thereof, which is not paid within ten (10) days after it is due, may, upon resolution of the Board of Directors, bear interest at a rate not to exceed the highest rate allowed under the laws of the State of Tennessee, and may, by resolution of the Board of Directors, subject the Member obligated to pay the same to the payment of such penalty or "late charge" as the said Board may fix. The Association may bring an action at law against the Member personally obligated to pay the same, or foreclose the lien against the Lot or Lots subject to prior mortgages or deeds of trust upon the Lot or Lots; in either event, the Association may collect from the Member interest, costs and reasonable attorneys' fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Property or abandonment of his Lot.

For the purpose of enforcing the lien of any unpaid and delinquent assessment, each Owner irrevocably grants the Board of Directors of the Association the power to sell his Lot at public outcry to the highest and best bidder for cash. The Board of Directors is authorized to make such a public sale if and only if such sale conforms with Sections 7 and 8 of this Article. The Association is hereby authorized to take any and all courses of action available to it for collection of the assessment which the laws of the State of Tennessee allow. Any such sale shall be made after first advertising the sale of said property for not less than twenty-one (21) days by three (3) weekly publications in some newspaper circulated in the County of Meigs, State of Tennessee, giving notice of the time and place of such sale. Any sale of a Lot to enforce a lien for delinquent and unpaid assessments shall be free from equity of redemption, statutory right of redemption, marital rights, homestead, and dower and all other exemptions, all of which are expressly waived by the Owners; and any such sale and the lien enforced thereby shall take precedence over and have priority over any and all other liens of every nature against the Lot except real estate and act valorem taxes assessed against the Lot and prior recorded mortgages or deeds of trust described in Section 7 of this Article. The proceeds of any such sale, whether under the power of sale or by foreclosure suit, shall be applied first to the payment of the expenses of protecting the Property and the expenses of litigation, attorney's fees, and sale commission; and second, to the payment of real estate and ad valorem taxes assessed against the Lot and any prior recorded mortgages or deeds of trust as described above; and third, to the payment of all amounts due the Association under the terms of the Declaration and the By-Laws; and the balance, if any, to the Owner whose Lot is sold, and his assigns. Upon any default in the payment of the assessment, the Board of Directors shall have the right to all rents, issues, and profits from the Lot in default and shall have the right to secure the payment through notice to those in possession of the Lot or by entry into possession in the same manner as the mortgagee entering into possession following default.

All rights, remedies and privileges granted to the Board of Directors or an Owner, pursuant to any terms, provisions and covenants and conditions of the Declaration and the By-Laws, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be granted to such party by the Declaration and the By-Laws, at law or in equity.

Section 6. Acceleration of Installments. Upon default in the payment of any one or more installments of any assessment levied pursuant to this Declaration, the entire balance of said assessment may be accelerated at the option of the Board of Directors and be declared due and payable in full.

Section 7. Priority of Lien. The lien established by this Article shall have preference over any other assessments, liens, judgments or charges of whatever nature, except the following:

- (a) General and special assessments for real estate taxes on a Lot; and
- (b) The liens of any deeds of trust or mortgage instruments duly recorded on the Lot prior to the recordation on said Lot after receipt of a written statement from the Association reflecting that payments on said lien were current as of the date of recording of said deed of trust or mortgage instrument.

Section 8. Subordination and Deed of Trust/Mortgage Protection. Notwithstanding any other provisions hereof to the contrary, the lien of any assessment levied pursuant to this Declaration upon any Lot shall be subordinate to, and shall in no way affect the rights of the holder of any indebtedness secured by any recorded first deed of trust or mortgage (meaning a lien with priority over all other liens) if such deed of trust or mortgage is made in good faith and for value received; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure or any other proceeding in lieu of

foreclosure, and shall not in such instance apply to claims for a share of such assessments or charges resulting from a reallocation of such assessments or charges to all Owners, including the mortgaged Lots. Such sale or transfer shall not relieve the purchaser at such sale of the Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. Said lien, if any, shall have the same effect and be enforced in the same manner as provided herein.

No amendment to this Section shall affect the rights of the holder of any such deed of trust or mortgage (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

Section 9. Additional Default. Any recorded first deed of trust or mortgage secured by a Lot shall provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Declaration, or any installment thereof, shall likewise be a default in such deed of trust or mortgage (or the indebtedness secured thereby), but failure to include such a provision in any such instrument shall not affect the validity of priority thereof, and the protection extended to the holder of such instrument (or the indebtedness secured thereby) elsewhere in this Article shall not be altered, modified or diminished by reason of such failure.

ARTICLE VIII. ARCHITECTURAL CONTROL

Section 1. Architectural Control Committee. An Architectural Committee is hereby established and shall consist of three (3) entities or persons (the "Committee"). The initial Committee shall consist of the Declarant and two (2) other entities or persons to be selected by the Declarant. These Committee members shall serve for a period of two (2) years (and until such time as replacement members are appointed,) unless they are replaced by the Declarant, resign or otherwise fail to serve. Upon the expiration of two (2) years from the date hereof, or the earlier termination of any Committee member, the Declarant shall then appoint substitute Committee members until control of the Association is transferred to the Members (or until 75% of all building lots have been sold), at which time, the Board of Directors of the Association shall have the authority to make said appointments; provided, however, that the Declarant shall have the absolute right to be one of the three (3) Committee members until the development is complete and all of the Lots have been sold and all land currently owned or hereafter acquired by the Declarant, by any venturer of the Declarant, or by any entity related to any venturer, in the surrounding vicinity is developed and sold. The affirmative vote of a majority of the membership of the Committee shall be required to adopt or promulgate any rule or regulation, or to make any findings, determinations, ruling or order, or to issue any permanent authorization or approval pursuant to directives or authorizations contained herein.

Section 2. Approvals Necessary, Rules of Committee and Remedies for Violation. With the exception of improvements desired by the Declarant, no residence, structure or improvement of any kind or nature, or any fence or barrier shall be commenced, erected, placed, moved onto, or permitted to remain on any of the Lots, nor shall any existing structure, improvement, fence or barrier upon any Lot be altered in any way which materially changes the exterior appearance thereof, without the written consent of the Committee; nor shall any new use be commenced on any Lot without the written consent of the Committee. Plans and specifications of all such improvements and uses shall be submitted to and may be retained by the Committee. They shall be in such form and shall contain such information as may be required by the Committee, but in any event shall include, without limitation, (1) a building plan and site plan showing the floor plans, exterior elevations, color scheme, kind, shape, height, materials and location with respect to said Lot (including proposed front, rear and side setbacks) of all structures, fences or barriers, and location of all parking spaces and driveways on the Lot and the proposed surface thereof, (2) grading and landscape plans, and (3) a selection of one of several landscape designs which the Committee will make available and which will represent the minimum landscape requirements. Declarant recommends that all plans and specifications be prepared by a registered and licensed professional Architect or Engineer, or professional residential housing designer. The Builder selected to construct any residence shall be approved by the Committee in its sole and absolute discretion. No residence may be constructed upon any Lot except by a Licensed General Contractor.

The Committee may promulgate rules governing the forms and content of plans to be submitted for approval or requiring specific improvements on the Lots, including, without limitation, the exterior lighting and planting, and may issue statements of policy with respect to approval or disapproval of the architectural styles or details or other matters which may be presented for approval. Such rules and such statements of policy may be amended or revoked by the Committee at any time, and no inclusion in, or omission from or amendment of any such rule or statement shall be deemed to bind the Committee to

approve or disapprove any feature or matter subject to approval or to waive the exercise of the Committee's discretion as to any such matter; however, no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver by the Committee in its discretion to disapprove such plans, specifications, features or elements as are subsequently submitted for use on any other Lot. Approval of any such plans and specifications relating to any Lot shall be final as to that Lot, and such approval may not be revoked or rescinded thereafter provided that the plans and specifications as approved and any condition attached to any such approval have been adhered to and complied with in regard to all structures, improvements, fences or barriers on and uses of the Lot in question.

In the event the Committee fails to approve or disapprove any plans and specifications as herein provided within thirty (30) days after submission thereof, the same shall be deemed to have been approved as submitted and no further action shall be required.

Upon submission of the plans and specifications, the Owner may be required to pay to the Committee a review fee of \$600.00 as adjusted from time-to-time, and shall further pay an additional fee of \$100.00 for each additional review needed to comply herewith, plus any expenses or cost incurred by the Committee in connection with such reviews.

At time of closing of the first sale of each lot, the sum of One Hundred Dollars (\$100.00) shall be collected and transferred to the Association to be held as a Working Capital Fund. The purpose of the fund is to ensure that the Association will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable for the upkeep of said property. Amounts paid into the fund shall be considered advance payments of regular assessments.

Prior to beginning construction on any Lot, any Owner other than Declarant shall pay to the Association the sum of Five Hundred Dollars (\$500.00) as a non-refundable Construction Damage Deposit to be applied for road maintenance, with out limitation of any recourse the Association may have for damages to Common Areas due to negligence of the Owner or Agents of the Owner during construction.

If any structure, improvement, fence or barrier shall be altered, erected, placed or maintained upon any Lot or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Committee as required herein, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of the restrictions herein and without the approval required herein; and upon written notice from the committee, any such structure, improvement, fence or barrier so altered, erected, placed or maintained upon any Lot, in violation hereof, shall be removed or altered, and such use shall be terminated so as to extinguish such violation.

If fifteen (15) days after the notice of such violation, the Owner of the Lot in question shall not have taken reasonable steps toward the removal, alteration or termination of the same, the Association, by its officers or directors, shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation, and the costs thereof shall be a binding personal obligation of such Owner, as well as, a continuing lien upon the Lot in question upon the recording of a notice of lien with the Office of the Register of Deeds of Meigs County, Tennessee. The provisions of the Article of this Declaration dealing with assessments and non-payment thereof, including, without limitation, the right and remedies given to the Association therein, shall apply fully to the debt obligations, including interest and costs of collection, and the lien rights created in this section. Likewise, the terms and conditions of said Article dealing with subordination and mortgage protection shall be fully applicable.

Upon completion of the construction or alteration of any structure in accordance with the plans and specifications approved by the Committee, the Committee shall, upon written request of the Owner thereof, issue a letter of compliance identifying such structure and the Lot on which such structure is placed and stating that the plans and specifications, location of such structure and the use or uses to be conducted thereon have been approved and that such structure complies therewith. Preparation of such letter shall be at the expense of the Owner of such Lot. Any compliance letter issued in accordance with the provisions of this paragraph shall be prima facie evidence of the facts therein stated, and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such compliance letter shall be conclusive evidence that all structures and improvements described therein and the use or uses described therein comply with all the requirements of these restrictions.

Any agent of the Declarant or the Committee, may, at reasonable times, enter upon and inspect any Lot and any improvements thereon for the purposes of ascertaining whether the maintenance of such Lot and the maintenance, construction, or alteration of structures and improvements thereon are in

compliance with the provisions of this Declaration, and no such persons shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

ARTICLE IX.
CONSTRUCTION OF RESIDENCE

Section 1. Completion of Construction. Once construction of a residence is commenced, the particular Owner shall proceed diligently therewith and complete construction within eighteen (18) months after said commencement.

If said construction is not completed within said eighteen (18) months, then the Owner shall owe to the Declarant a penalty equal to twenty percent (20%) of the original price of the Lot. Said amount shall be payable within thirty (30) days after the end of said eighteenth month and shall increase by an additional penalty of one percent (1 %) of said price for each additional thirty (30) days it remains unpaid. Said penalties, together with costs of collection thereof, shall be a binding personal obligation of such Owner, as well as, a continuing lien upon the subject Lot upon the recording of a notice of lien with the Office of the Register of Deeds of Meigs County, Tennessee.
